Be part of an international study environment

MF is centrally located in Oslo and very close to nature. Our German Erasmus+ students report that in addition to their studies they are engaged in associations and participate in physical activities outdoors. Together with other international students they are getting acquainted with Norwegian culture and language.

Professors at MF are approachable and Norwegian study culture is very informal. This makes MF a fun place to be. Join us!

Experience Norway

In Oslo, you can combine high quality education with unforgettable outdoor experiences, both winter and summer. Oslo is a friendly and exciting city where you can find everything you need within a short distance from the downtown area.

Norway is known for outstanding nature, and all of this is easily accessible from Oslo. You can travel to see the Aurora Borealis, experience the midnight sun, and discover beautiful fjords and mountains all over the country.

Why choose MF?

- ▶ **High academic quality.**
